Dear Mark:

This note is to inquire, particularly as to timing, the status of the 1600 feet of sanitary sewer contemplated to serve the west side of Baer Field. This extension is that which the Board of Aviation Commissioners has agreed to contribute \$50,000.00.

The need for this sewer extension may come earlier than expected because of the possible start of 2 new aircraft hangars in that area within the next 60 to 90 days.

Thanks for all the past courtesies and please advise.

Sincerely,
